**PETROQUIP®**

**PIPE, FITTINGS & FLANGES**

**VALVES & ACTUATION**

**CORROSION PREVENTION & CATHODIC PROTECTION**

**MRO SUPPLIES**

Since 1997, Petroquip has partnered with trusted manufacturers to deliver quality pipeline products at the right time, for the right price. Our strategically located, fully stocked distribution centers allow us to ship products to the job site within hours of receiving an order. We are known for exceptional customer service, a quality that has earned the loyalty of our customer base across the US and the Gulf of America.

**PLIDCO®**

Petroquip is the largest stocking distributor of PLIDCO fittings and pipeline repair products. Since 1947, PLIDCO has earned customer loyalty by producing innovative solutions that help minimize costly shutdowns and assure worker safety. With hundreds of thousands of fittings installed around the world, PLIDCO is the number one source for safe, reliable pipeline repair products.

Petroquip is the exclusive stocking distributor for APS products in Alabama, Louisiana, Mississippi, and Gulf of America. APS provides innovative high quality oil and gas pipeline products, delivers excellent cathodic protection, corrosion prevention, and safety products for any oil or gas pipeline project.
